

5.25" 70V Slim Style Wall-Mount Speaker

SP5SLTW White housing, sold individually

SP5SLTB Black housing, sold individually

Features

These slim profile speakers offer an affordable, wall-mount alternative to in-ceiling or in-wall/on-wall speakers. You hang them just like a picture frame, so installation is easy. With up to 5W of 70V power, these speakers are perfect for paging or background music in offices, museums, conference rooms, and many other installations.

- Attractive, slim profile design
- Easy installation
- Indoor use only
- 70V transformer built-in
- Lifetime warranty
