BANK

Surveillance Application Diagram

People & Vehicle Detection

Analytic cameras that can capture imaging of people & vehicles that enter your property and save them. Be alerted when a person or vehicle enters the scene.

Intensifier® Technology

Captures color in low light. Great for diverse lighting environments.

License Plate Recognition

Analytic cameras that can detect, recognize, and alert on license plates that enter/exit your property. Build a searchable database of plates to keep your business secure.

Digital Deterrent®

Alert on events and stop crime before it occurs with bright flashing lights and audible warnings.

2 Factor Authentication

Combining Speco's Access Control solution with video surveillance provides a second layer of protection for entryways.

IP Audio

Speco's IP Audio allows easy installation with a single network cable (PoE). These speakers offer a scalable system to build on with a sleek look and premium sound quality.

4K Cameras

See small details in the scene with a clear digital zoom.

Specialty Cameras

Niche cameras that are perfect for unique applications.
