Speco Technologies

2 Factor Authentication
Combining Speco's Access Control solution with video surveillance provides a second layer of protection for entryways.

License Plate Recognition
Analytic cameras that can detect, recognize, and alert on license plates that enter/exit your property. Build a searchable database of plates to keep your business secure.

Value Line Cameras
Virtually "draw" a line and be alerted when that line is crossed.

IP Audio
Speco's IP Audio allows easy installation with a single network cable (PoE). These speakers offer a scalable system to build on with a sleek look and premium sound quality.

Speco Access
The secure, self-contained access system is designed for small & mid-sized applications and delivers many enhanced features.

Digital Deterrent®
Alert on events and stop crime before it occurs with bright flashing lights and audible warnings.

Specialty Cameras
Niche cameras that are perfect for unique applications.
