Intensifier®  
Technology

### 2 Factor Authentication

Combining Speco's Access Control solution with video surveillance provides a second layer of protection for entryways.

### Digital Deterrent®

Alert on events and stop crime before it occurs with bright flashing lights and audible warnings.

### License Plate Recognition

Analytic cameras that can detect, recognize, and alert on license plates that enter/exit your property. Build a searchable database of plates to keep your business secure.

### Specialty Cameras

Niche cameras that are perfect for unique applications.

### Intensifier® Technology

Captures color in low light. Great for diverse lighting environments.

### IP Audio

Speco's IP Audio allows easy installation with a single network cable (PoE). These speakers offer a scalable system to build on with a sleek look and premium sound quality.

### Value Line Cameras

HD budget friendly cameras that are great for standard surveillance.

### Two-way Audio

Communicate in real time with people in your cameras view over a microphone.
