Surveillance Application Diagram

2 Factor Authentication
Combining Speco's Access Control solution with video surveillance provides a second layer of protection for entryways.

Specialty Cameras
Niche cameras that are perfect for unique applications.

Digital Deterrent®
Alert on events and stop crime before it occurs with bright flashing lights and audible warnings.

4K Cameras
See small details in the scene with a clear digital zoom.

Intensifier® Technology
Captures color in low light. Great for diverse lighting environments.

IP Audio
Speco's IP Audio allows easy installation with a single network cable (PoE). These speakers offer a scalable system to build on with a sleek look and premium sound quality.
