# WAREHOUSE

## Surveillance Application Diagram

### **License Plate Recognition**

Analytic cameras that can detect, recognize, and alert on license plates that enter/exit your property. Build a searchable database of plates to keep your business secure.

### **Specialty Cameras**

Niche cameras that are perfect for unique applications.

### **IP Audio**

Speco's IP Audio allows easy installation with a single network cable (PoE). These speakers offer a scalable system to build on with a sleek look and premium sound quality.

### **Speco Access**

The secure, self-contained access system is designed for small & mid-sized applications and delivers many enhanced features.

### **True Wide Dynamic Range (WDR)**

Provides clear imaging when the foreground and background of a scene varies greatly in brightness (i.e. vestibules)

### **Two-way Audio**

Communicate in real time with people in your cameras view over a microphone.
