Speco Technologies' Patented Wall Mounted Recorders are the solution to deter vandalism and theft.

Securing your business is crucial today. Investing in Speco Technologies' Wall Mount series, including NVRs, DVRs, and Hybrids, is essential for vulnerable retail businesses like liquor stores, pawn shops, jewelry stores, and convenience stores. These compact units resemble electrical panels but house Speco's robust recording technology, ideal for smaller applications.

Wall Mount Recorders Available as IP NVR, Hybrid DVR, and HD-TVI DVR
